

Dear Judge Gertner,

12-05-08.

I'm writing you via my associate metron Bonfassa who is trying to put to light the Truth OF the Rosindale Bomb case.

Incase you are unaware, I'm enclosing with this letter the proof that we presented it to the Jury that I did not purchase anything at radio shack and yet, maybe proof that the A.T.F. Fabricated evidence to help support a weak case, in that the radio shack receipt which are from a computer generated system is actually fraudulent. So, in fact, my ch. 56 interview would have been proven false with clear cut evidence and testimony.

I know you believe in me Nancy. I know you know I'm innocent. Alfred Trankler is innocent too. So what can we do about it? What can we do to set into motion the re-investigation of my, no, our cases?

Jerrimiah Hurley and Francis Foley deserve justice but not if it means putting two innocent men in prison. That's not justice. and The real killer goes free.

did you know that in July of 1991 I was living in New York? did you know that this was before I met Alfred Trankler? and my father was paranoid of bombs, looking for them, telling the insurance company doctors he was afraid he was going to be blown up, all before I ever met Alfred Trankler.

Judge Gertner, you sent a clear message to the FBI in the Salvati case.

I don't know what risk you'd be taking
if you acted in any way on our behalf.
But I implore you to think about it.
Pray about it as a Judge, as a Human
Being you want to see Justice Served.
But in the eyes of Law Enforcement of
which some Apples may be Bad, what cost,
what is more valuable than the Truth?
certain not Lies, certainly not Questionable
Witnesses, Tactics, Coercion, Falsified Documents,
and Perjury.

I was once my own worst enemy in the
lips I moved for the obvious Bittersweet
Attention I received. IS IT TOO LATE TO
SAVE MY SOUL? IS IT TOO LATE FOR JUSTICE
TO BE SERVED, ~~WRONGS~~ wrongs righted
and Peace given to those who most
deserve IT?

I think not. who decides whose worth
saving when the SHIP IS SINKING? What
morals come into play when you know
in your heart what IS right and wrong?

I know you have a Good Heart. I
know you are Just. I know you care.
I can only encourage you to try to help
in any way you can to bring an end
to the turmoil of the people involved
in this case. Bring Justice to us all.

Dear Judge Gertner,

I'm writing you via my associate Morrison Bonpasse, who is trying to put to light the truth of the Roslindale Bomb case.
