Dear *al,*

Enclosed is the course schedule and syllabus for Advanced First Aid and Emergency Care, which will begin on Monday, Jan. 20, in the Hospital meeting room. Please notify me by Jan. 15th as to whether you are planning on attending or not. It will not be a large class, and I am running it primarily for disaster services. Your participation would be appreciated, and the benefit which you will derive will greatly enhance your capability as a first-aider.

Sincerely,

Walter C. Kennedy, Jr.
Chairman, Disaster Services
