REPORT RE:

Braitree, Ma. Police Incident

At 9:00am, 11/1/91, I talked to Det R. Maloney of Area E-5 who informed me that Det. W. Hughes of the Braintree Police Department had some information on the case.

I contacted Det Hughes (tel# 843 1212 ext 24), and he told me that on 10/9/91 he received a call from an unknown person, who inquired if he was looking for Paula Shay, and that if in fact he was that she could be found at 200 Falls Boulevard, Quincy, Ma., in section D, apartment 107.

Detective Hughes informs me that Paula Shay, dob 12/13/68, aka Amy Lenar, Susan Walsh, and Cindy Smith, was wanted in Quincy, Ma., and Milton, Ma., on several warrants, most for larceny.

Det. Hughes states that he went to the address and was let into the apartment by Thomas Shay the younger who appeared to be half asleep. He asked if Paula was home and Thomas stated that she was not. While in the apartment Det Hughes observed another male in the bedroom who was identified as David T. Shilalis, and it appeared to him that this male was half asleep also.

Shortly after his arrival Paula Shay came home in the company of Janice Williams, B/F/S dob 2/8/51 SS# 015 40 6961, of 159 Cabot St. Roxbury, Ma. Ms Shay was then arrested on the aforementioned warrants.

Mr Shilalis is further described as a white male, dob 5/26/60, of 424 Washington St., Canton, Ma., SS# 018-50-2505 and he operates a 1984 Mercury cougar, color black with a brown top bearing M.R. 230 V.M.D..

It is the opinion of Detective Hughes that the two males were in bed together on his arrival.
