DISTRICT/UNIT IDENTIFICATION SECTION

To: Sergeant Detective James Hayes, Identification Section  
From: P.O. Robert L. Foilb, Identification Section  
Subject: Latent Fingerprint Examination, CC# 11-919-390  
Sir:

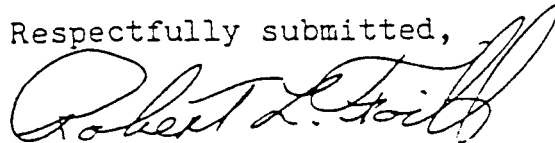

On 10/31/91, at the request of the Homicide Unit, P.O. Robert L. Foilb, I.D.#1093, Identification Section responded to the Homicide Unit.

Upon arrival fumed Mass Reg. 125-LLO using the cyanoacrylate fuming method (superglue). After fuming Mass. Reg. 125-LLO, I then dusted and examined the m/v for latent fingerprints. On 10/31/91 a total of (12) fingerprint lifts were lifted.

On 11/1/91 Mass Reg. 125-LLO was towed to the Frontage Road police facility, where the M/V was placed on a mechanical lift. The undercarriage of the M/V was dusted and examined for latent fingerprints. A total of (5) fingerprint lifts were lifted.

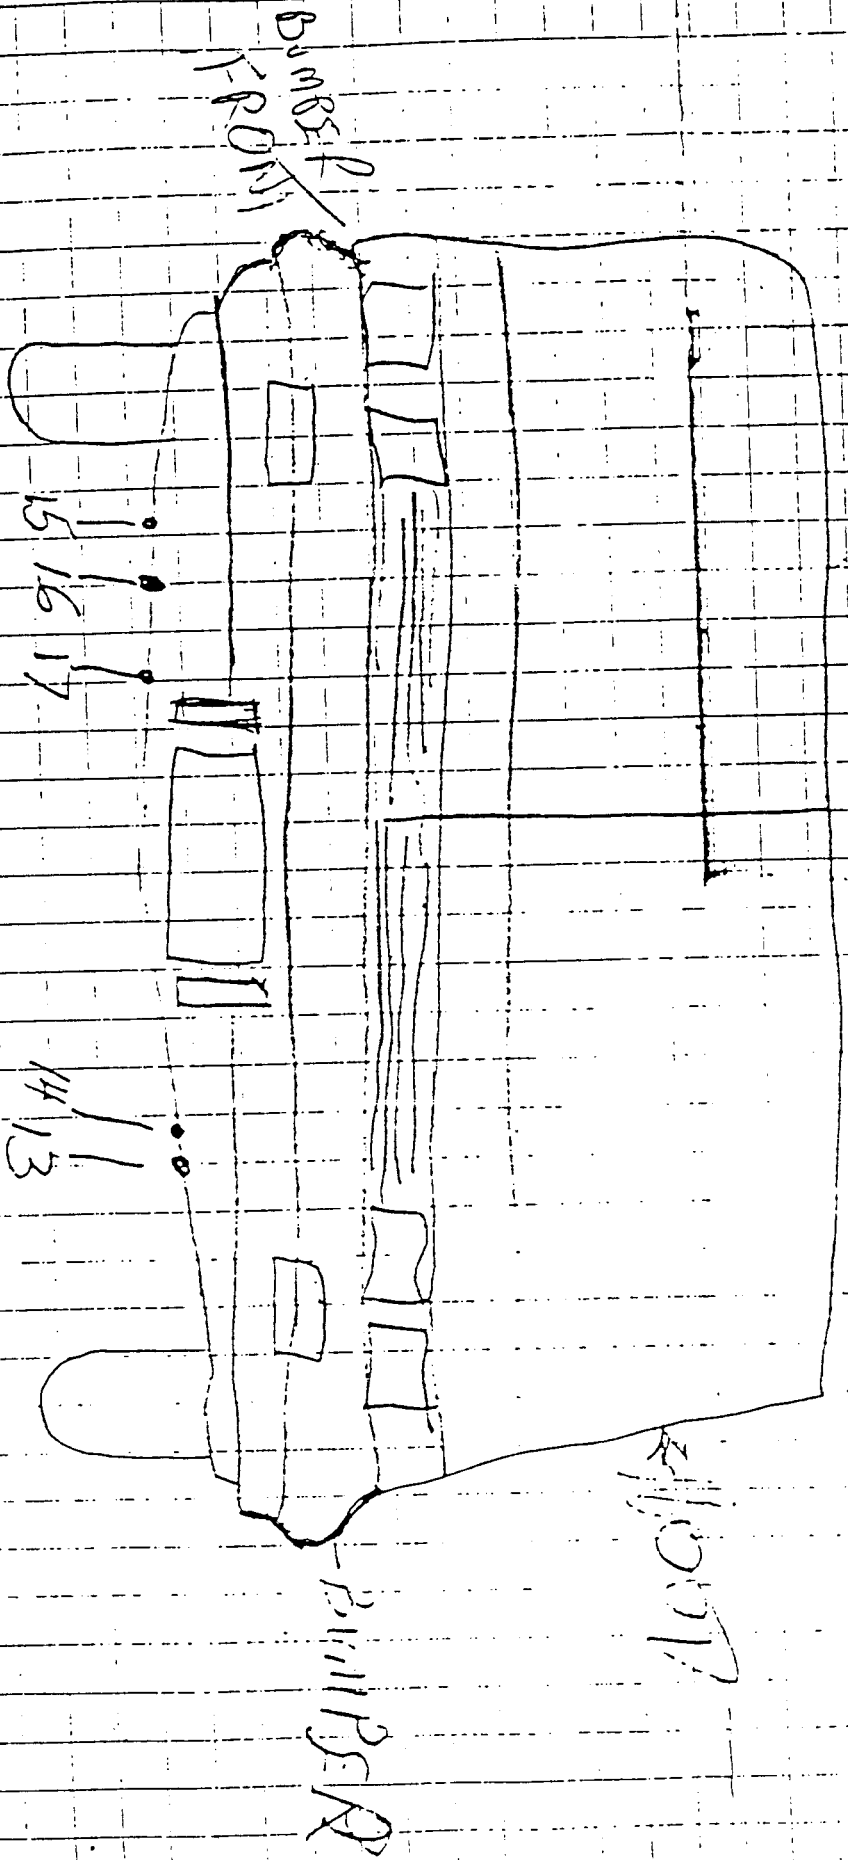

A total of (17) fingerprint lifts were taken from Mass. Reg. 125-LLO.

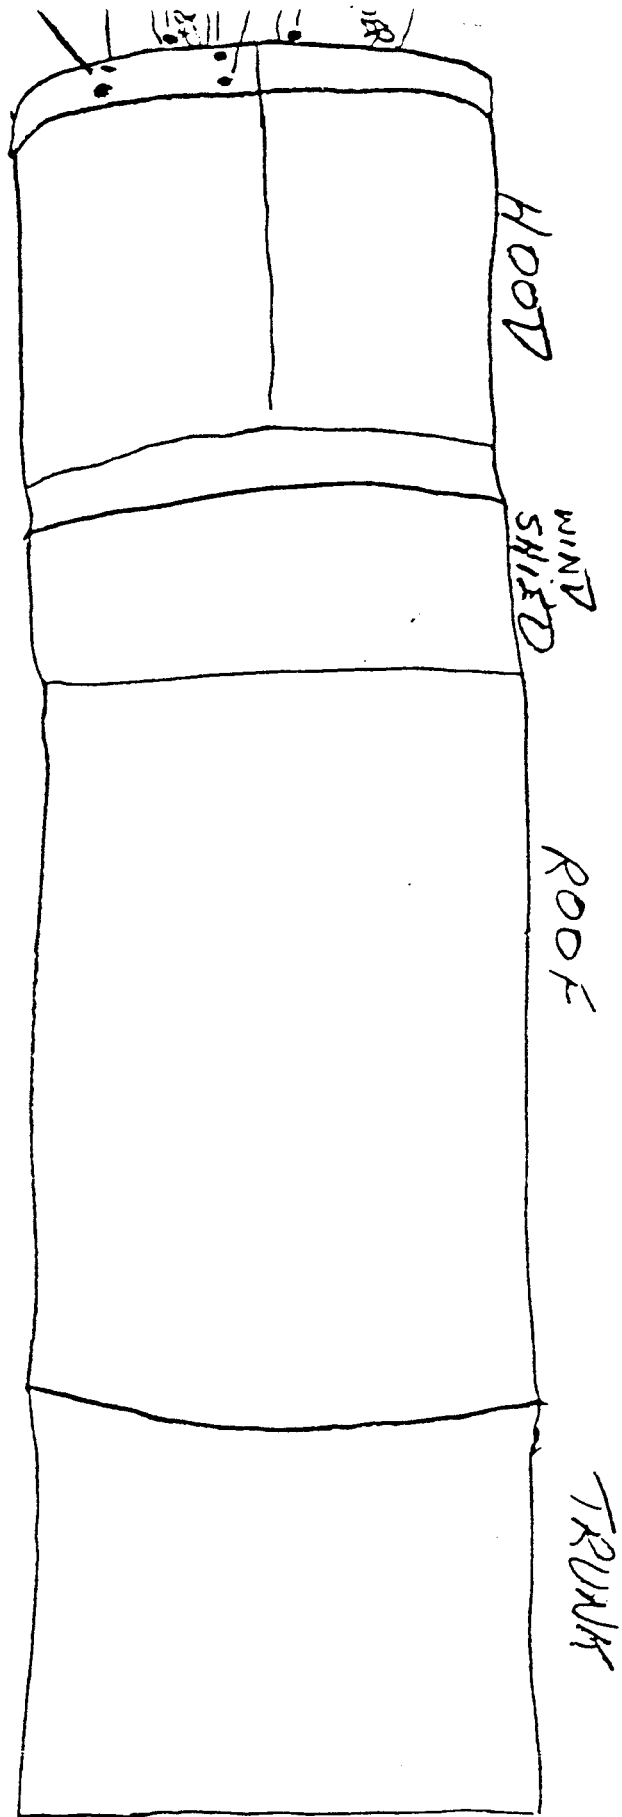

Respectfully submitted,

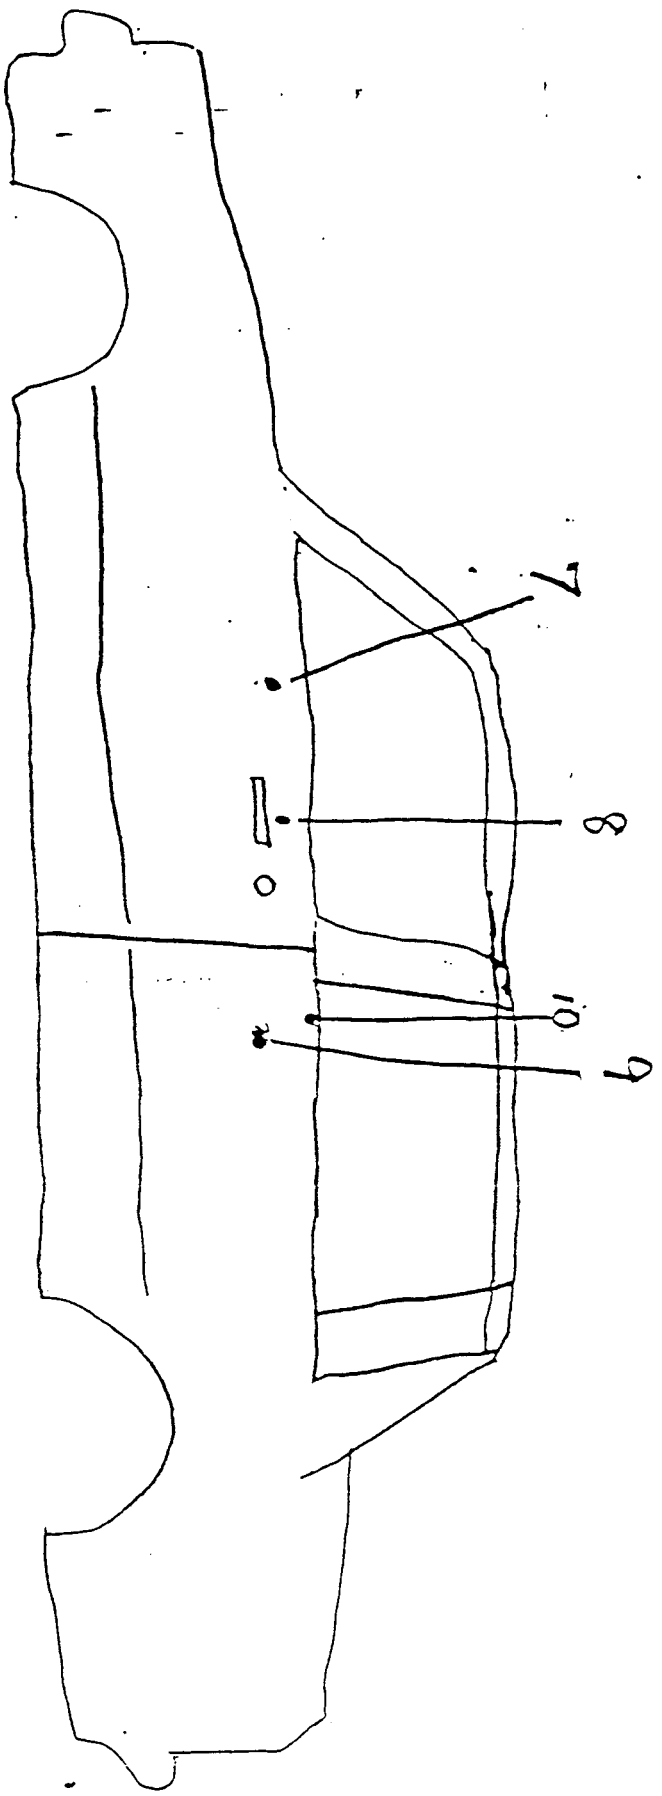

P.O. Robert L. Foilb,
