

Dear Russ

Hello Russ This letter is very important I
am IN Jail right now and I am scared and
depressed. the Police think I built the Bomb or I had
something to do with it. we both know that I don't
you know that Black Tape I got at your house
they are going to try to use it against me
in court. My attorney is going to need
you to bring you and that tape down to
his office. His # is William McPhee 21 McGroth
Highway Suite 205 Quincy MA 02159 617-471-9307. He
is a real nice guy. Call him and explain our
relationship as friends. How we met what you
do for work. when I came over your house and
when that Black Tape came into my hands. that
Black Tape is a big part of this court case. IT
IS probably the only lead the Police have. Get IT to
my lawyer and your statement. ok. ps. you
are the only friend I have got. on this case.
don't let me down. ps. write me a nice long letter
to pass my time here in jail. I need to hear from
a friend like you. write to my house and my mother
will bring it on my next visit ok. write
