

DEAR AMY, MORRIS, DAVE

PLEASE FIND MY SCRIBBLINGS ON MY OBSERVATIONS - THEY MAY BE  
REDUNDANT BUT BEAR WITH ME.

I TRIED TO HIT ALL THE POINTS I COULD AND HOPEFULLY YOU CAN USE  
A FEW OF THEM.

GOOD LUCK ON TUESDAY - MY FINGERS <sup>WILL BE</sup> ~~ARE~~ <sup>CROSSED</sup>!

SINCERELY

Alfred

See back  
page for

updates  
for it!

P 000299 - WE FOUND TRA<sup>CE</sup> OF INFO. FROM BATTERY TO THE WOODEN BOX  
ACTUALLY TO THE GLUE THAT HELD THEM IN PLACE IN THE WOODEN BOX  
- WASHKOM - HEARING

HEARING

P 313-4 ON PAGE 000313-14 LINE 19-2 WASHKOM TALKS ABOUT TAPE  
HE SAYS THAT SOMEONE COULD HAVE, IN 91, USED GLUE INSTEAD OF  
TAPE TO HOLD COMPONENTS IN PLACE AND COULD HAVE CONSTRUCTED A PORTION  
OF THE BOX TO HOLD THE EXPLOSIVE. BUT INSTEAD HE FOLLOWED A PATTERN HE  
USED BEFORE IN BUNDLING COMPONENTS IN TAPE... TO HOLD THEM IN PLACE.

THIS FROM EVIDENTIARY INTERVIEW.

P 1124 IN TRUCE WASHKOM APPROX P 1124 <sup>NOT HOLD IN PLACE</sup> SAYS TAPE WAS USED TO INSULATE WIRES

P 1437 IN SHAM'S HEARING ~~AROUND P 1437~~ WASHKOM SAYS THE COMPONENTS  
WERE GLUED IN PLACE AND ONLY EXPLOSIVE BUNDLED IN DUCT TAPE  
EVERYTHING ELSE CAREFULLY SUPERGLUED IN PLACE IN THE 91 DEVICE

PAGE 1251 ALSO IN 91 HE MADE SPECIAL COMPARTMENTS TO HOLD COMPONENTS.  
LIBBY TO KILGON - WE KNOW 9V BATTERIES GLUED TOGETHER AS A UNIT

~~AROUND P 2600~~

P 1439 IN SHAM'S HEARING WASHKOM SAYS HE HAD NO ACCESS TO 86 ~~EVIDENCE~~ TO SEE  
~~P 1439~~  
IF WIRES WERE TWISTED SOLDERED + TAPED - TO SAY 86 TWISTED - CANNOT SAY

P 1093 IN MY TRUCE WASHKOM SAYS THE 86 CIRCUITS REPORT SHOWED WIRES TWISTED  
SOLDERED + TAPED - BUT THIS IS WRONG - NO MENTION OF TWISTED ANYTHING IN 86

IN 86 REPORT

IN HEARING

P 000358 WASHKOM SAYS 86 WIRES UNDERSTOOD TO BE SOLDERED + TAPED BUT DOESN'T KNOW  
THAT THE REPORT REFERENCES TO TWISTED SOLDERED AND TAPED

MO - SENDING SOMEONE TO STORE TO GET PARTS

WHAT LEACH REMEMBERS IN TRIAL

I ASKED TO GO TO STORE WITH AL

I DON'T RECALL WHAT WAS PURCHASED

I DID NOT PARTICIPATE IN ACQUISITION ~~TO~~ OF TYCO TOY CAR

I GOT MAGNET FROM SPEAKER ~~FOR~~ AL SPOTTED IN THE TRASH IN MY  
BACK ~~IN~~ YARD

MY MOM WANTED TO GET RIM OR SIMULATOR PIECES

CRAIG TRIM BEST

AL PURCHASED TYCO R/C AT RADIO SHACK

DONNA INTIMIDATED AL TO DO THIS

DONNA'S FRIEND PRODUCED SIMULATOR

ALL HE (AL) HAD TO DO WAS GET TOY R/C

AL THOUGHT OF MAGNETIC MEANS

WAS NOT

86 REPORT INDICATES SPECIFICALLY 86 TOGGLE SWITCH NOT FROM RASH

86 RELAY WAS PART OF TYCO TOY CAR

SO...

SIMULATOR - FROM FRIEND OF DONNA SHEA'S

RELAY - PART OF TYCO TOY CAR

TOGGLE SWITCH - NOT FROM RADIO SHACK

MAGNET - FOUND OR SPOTTED IN TRASH BY ME

TYCO TOY CAR - NOT PURCHASED BY LEACH - PURCHASED BY ME

AA + 6V DURACELL BATTERIES - NOT PRODUCTS SOLD BY RADIO SHACK

DUCT + ELECTRICAL TAPE - AVAILABLE ANYWHERE

WIRE - SCRAP

SOLDER - DONE BY ME

BULB - NOT FOUND, NOT ID'D, RELATED ONLY IN UNDATED REPORTS

LEACH MAY HAVE GONE TO THE STORE BUT 1) HE HAS NO MEMORY  
WHAT OF PURCHASED 2) I WAS IN STORE WITH HIM. HOW IS THIS

3) NO PARTS OTHER THAN TYCO TOY CAR ORIGINATED AT RADIO SHACK  
AS I D'D IN 86 DEVICE. HOW IS THIS IN ANY WAY PROOF OF AN  
ALLEGED SIMILARITY TO ~~THE~~ 91 THEORY. IF I USED LEACH TO PURCHASE

SOMETHING AT RADIO SHACK ① IT WAS NOT USED IN THE 86 DEVICE

② I WAS IN THE STORE WITH HIM WHICH WOULD NOT SEPARATE ME  
FROM CONSPIRACY, HAD ANY PARTS BEEN USED FROM THAT PARTICULAR

PURCHASE. ③ LEACH SPECIFICALLY STATES HE DID NOT PURCHASE THE TYCO  
AND THE ONLY PART IN 86 DEVICE SOLD BY RADIO SHACK  
TOY CAR - THE ONLY COMPONENT I D'D AS BEING A RADIO SHACK PURCHASE.

④ LEACH STATED HE HAD NO IDEA ABOUT 86 DEVICE ON THIS ALLEGED TRIP

⑤ LEACH COULD NOT RECALL IF HE REMEMBERED DETAILS OR JUST  
HEARD THEM MENTIONED.

THE FACT THAT I BUILT THIS DEVICE OUT IN THE OPEN WITH PEOPLE  
PRESENT (CRAIG TEST) SHOWS NO EFFORT TO HIDE ANYTHING.

LIGHT BULB

THE LIGHT BULB MENTIONED IN THE UPDATED HANDWRITTEN REPORT WAS  
ATTRIBUTED TO LEACH, BUT IF LEACH CANNOT RECALL WHAT WAS PURCHASED  
AT RADIO SHACK HOW CAN THIS POSSIBLY BE ATTRIBUTED TO HIM.

THIS IS AN ASSUMED FACT WITH NOTHING IN THE RECORD TO SUBSTANTIATE IT.

86 CONSPIRACY THEORY. IF ANYONE INVOLVED WITH 86 WAS ATTEMPTING TO REMOVE  
THEMSELVES FROM THAT EVENT IT WAS DONNA SHEA - WHO INTIMIDATED AL  
INTO DOING THIS TO GET BACK AT HER FRIENDS + FORMER EMPLOYERS, OBVIOUSLY  
TO USE AL TO DO THE DIRTY WORK AND SEPARATE HERSELF FROM THE  
CONSPIRACY. DONNA PROVIDED THE SIMULATOR AND REQUESTED AL DO THE REST  
THUS THE ISOLATION FROM THE EVENT - IF IT WAS DONNA'S BORNE INTENT  
TO "SCARE THE SHIT OUT OF THE FISH COMPANY OWNERS" - AL WAS THIN  
AND DID NOT REALLY WANT TO DO THIS - CRAIG TRIAL. THIS IS IN SHARP CONTRAST  
TO GOV'T THEORY THAT TRENKIER WANTED TO KILL SHAY SR FOR SHAY JR  
AND FOR MONEY

## WASHROM ON MAGNETS

IN THE HEARING WASHROM SAYS HE'S NEVER SEEN SPEAKER MAGNETS ON REMOTE CONTROL DEVICES, THEN SAYS 91 MAGNETS NOT REPEARED OR ID'D AS SPEAKER MAGNETS. BUT HE SAYS 86 + 91 MAGNETS APPEAR ALMOST THE SAME. HE SAYS THE ONLY OTHER SOURCE OF MAGNETS HE KNOWS OF ARE ANTENNA MAGNETS. AT TRIAL WASHROM SAYS MANY TYPES OF MAGNETS ARE AVAILABLE THAT ARE ROUND BUT LATER SAYS THAT ROUND MAGNETS ARE UNUSUAL. THEN HE SAYS HE KNOWS THEY USE THESE MAGNETS WHEN THEY MAKE SPEAKERS. THEN ON CROSS HE SAYS LARGE CIRCULAR MAGNETS ARE EXTREMELY UNIQUE AND NEVER SEEN CIRCULAR MAGNETS OF THAT TYPE + CONSTRUCTION. WELL THEN IF THE LARGE MAGNET IN 86 IS RARE AND THE SMALLER MAGNETS ARE NOT BUT THE 86 MAGNET IS FROM A SPEAKER - WHICH IS VERY COMMON TO EVERY ONE WHO DRIVES A CAR PLUS THE FACT IT WAS FOUND BY COINCIDENCE IN THE TRASH CAN ONLY BE CHASED UP TO COINCIDENCE. WASHROM SEEMS TO HAVE TROUBLE WITH ROUND MAGNETS. IF THE 86 MAGNET IS FROM A COMMON SPEAKER IT IS NOT AS UNUSUAL AS THE 91 MAGNETS WHICH WERE NOT ID'D AS SPEAKER MAGNETS, IN FACT THE MAJORITY OF MAGNETS WERE ATTRIBUTED TO AUTO BODY WORK NOT ELECTRONICS.

## WASHROM ON TOGGLE SWITCHES

HEARING

HE STATES THAT THE TOGGLE COULD BE IN ONE OF 3 PLACES BUT IT WOULD LOGICALLY BE IN THE LOCATION HE CHOSE, WHICH JUST HAPPENS TO BE SIMILAR TO THE 91 DEVICE. BUT HE SAYS IT WAS TO ARM THE DEVICE OR AS A SAFETY BUT IN THE FIRMW. CIRCUIT CONNECTED TO THE 91. BUT TOTALLY DISSIMILAR TO 91 - THE 86 DEVICE WOULD HAVE WORKED WITHOUT IT.

86

TRIAL

HE STATES THE SWITCH ARMED THE DEVICE. HE SAYS BOTH 86 + 91 HAD TOGGLE SW IN FIRMW. CIRCUIT - BUT CAN'T BE SURE. HE SAYS IT'S NOT IMPOSSIBLE TO HAVE 86 SWITCH IN FIRMW. CIRCUIT TO BACK THE NON-EXISTING

SCHE SWITCH. WASNOM HAS NOTHING TO BASE HIS OPINION ON OTHER THAN OUT OF 3 POSSIBLE POSITIONS HE IS GOING TO CHOOSE THE CLOSEST CHOICE TO THE 91 DEVICE. - HE CAN'T BE SURE BUT SINCE HIS JOB IS TO FIND SIGNATURE HE CHOSE THE 91 POSSIBILITY.

SORRY FOR JUMPING AROUND BUT MORE ON LIGHT BULBS

IF THE LIGHT BULB CAN ONLY BE THEORIZED TO HAVE BEEN PURCHASED IN 86 BY LEACH THEN OBVIOUSLY THE 91 DEVICE WAS NEEDED TO CONVINCHE THE JURY THAT THIS OCCURED IN 86 WHEN I ASSUMED THAT THE 86 WAS SUPPOSED TO PROVE SIMILARITIES TO 91.

IT SEEMS AS IF THE 91 DEVICE WAS NEEDED TO PROVE ① EXPLOSIVES LACKING IN 86 SKILL + KNOWLEDGE ② HOW 86 WAS WIRED TOGETTER BASED ON 91

③ SINCE 91 HAD MANY ROUND MAGNETS THAT THIS WOULD BE MY PREFERENCE IN 86. I BASE THESE ON THE FACT THAT 86 DID NOT EXIST THEREFORE 91 WAS USED AS THE MODEL TO REBUILD 86, ONCE DONE TAKE 86 AND SAY THIS IS HOW 91 WAS FASHIONED, BASED ON THE THEORY - IF THIS IS HOW I DID 91 THIS IS HOW I WOULD HAVE DONE 86. I BASICALLY WAS TRIGER ON 86 USING THE 91 DEVICE!

WITH THE THEORY THAT 86 SHOULD INCREASED KNOWLEDGE OF ELECTRONICS ~~IT WAS~~ THEREFORE MORE THAN ABLE TO BUILD 91 WIRES THE FIELD TO ANYONE WITH ELECTRONIC KNOWLEDGE GREATER THAN 91, SINCE 86 SHOWED NO EXPLOSIVE KNOWLEDGE. THIS REQUIRES A QUANTUM LEAP FOR A JUROR SINCE 91 DISPLAYED A VASTLY EXPANDED KNOWLEDGE OF EXPLOSIVES WHILE 86 DISPLAYED NONE

COMMENTS EXIS OUR 13161=

P 12 LINE 11-14 - WHILE THE EXIS COME BOOK INSURES THE INFORMATION IS  
EMPHASIS CORRECTLY, THE BOOK DOES NOT INSURE THAT ALL DETAILS WERE ENTERED.  
THE FACT THAT INFORMATION CAN BE REMOVED OR ADDED AT ANY TIME IS  
EVIDENT WITH DENAM KLINE'S TESTIMONY REGARDING AN UNEXPLODED BOMB  
IN NY - 1980 CUBAN AMBASSADOR - IT IS OBVIOUS THAT SCITZ-70 REMOVED OTHER  
ITEMS SINCE THEY WOULD INDICATE AN ALMOST EXACT MATCH TO 91.  
OMITTED IN 86 WAS THE RELAY, OMITTED IN 91 WAS THE 9V SNAP-CONNECTORS,  
SERVO MOTOR, BATTERY PACK AND PLUGS USED IN THE FUTABA SYSTEM.  
THIS, AS SCITZ-70 STATED, WAS BECAUSE IN ALL FUTABAS AN EXPERT KNOWS  
THAT THERE ARE COMPONENTS INCLUDED IN FUTABAS THEREFORE DO NOT NEED  
MENTIONING, FURTHER, THAT THIS WAS A REASON THE EXIS REPORT WAS ONLY  
FOR INVESTIGATIVE PURPOSES ONLY. BUT IN SHOWING THIS EXIS REPORT TO  
A JURY OF COMMONS, WITH OUT THE PARTICULARS ONLY KNOWN TO EXPERTS,  
WOULD SHOW LESS COMMONALITIES BETWEEN 91 AND OTHER FUTABA DEVICES  
AND MORE OF A MATCH TO 86. HAD ALL THE PARTICULARS BEEN LISTED  
IT IS DOUBTFUL THE GOVERNMENT WOULD HAVE UTILIZED THE EXIS DISPLAY  
ANOTHER EXAMPLE - ONLY QUINCY USED A RELAY, ONLY QUINCY HAD A BUILT  
+ FCA  
IN BATT PACK, ONLY QUINCY HAD NO SERVO MOTOR, ONLY QUINCY DID NOT USE  
PLUGS OR CONNECTORS.

PAGE 13-14 - LAST PARAGRAPH THERE IS CASE + POINT AS TO THE OBVIOUS DELETIONS OF INFO  
FROM OTHER DEVICES THAT ONLY EXPERTS WOULD KNOW. WHILE ROSLOWITZ + QUINCY  
DID SHARE THESE FIVE FEATURES, DUCT TAPE, SOLDERING, AA BATTERIES, TOGGLE SWITCH  
AND ROUND MAGNETS, ONLY DUCT TAPE WAS COMMON TO 86 + 91, TAKING INTO  
CONSIDERATION KLINE'S TESTIMONY OF THE NY BOMBING, EVIDENCE IN REPORT FORM  
POSSESSED BY KLINE AT TRIAL, AND THE FACT THAT SICRAN STATED ALTHOUGH FUTABA  
IS POWERED BY AA BATTERIES - IF THEY ARE NOT FOUND THEY ARE NOT MENTIONED  
FURTHER - EVERYONE KNOWS THAT THERE ARE CERTAIN PARTS TO FUTABA BY JUST  
THE MENTION OF FUTABA - THIS EVERYONE HE SPEAKS OF ARE NOT COMMON

RATHER THEY ARE EXPERTS. WITH THIS IN MIND OF THE REMAINING FOUR FEATURES, SOLIDERUG, AA BATTERIES, TOGGLE SWITCH AND ROUND MAGNETS, SOLIDERUG IS COMMON TO 86, 91, PA, IL, AND NY, AA BATTERIES ARE COMMON TO 86, 91, PA, FLA, IL, NY, CA, TOGGLE SWITCH IS COMMON TO 86, 91, PA AND NY, AND ROUND MAGNETS COMMON TO 86, 91, FLA AND NY

PAGE 15

MANU CHARGE - WASHAM STATED AT TRIAL THAT THE SIMULATION WOULD CAUSE THE SAME PHYSICAL HAZARD AS A CORDON BOMB - FIREWORKS

TOGGLE SWITCH - WASHAM STATED AT HEARING THAT THE 86 TOGGLE SWITCH, WHILE ON FIRING SIDE WAS A SAFETY SWITCH, DID NOT CAUSE IMMEDIATE FIRING OF DEVICE AND COULD HAVE BEEN REMOVED AND DEVICE WOULD HAVE FUNCTIONED

SOLDER - NO INDICATION OF TWISTED WIRES IN 86

MAGNET - NO INDICATION THAT 86 MAGNET WAS DONUT SHAPED - NO MENTION OF HOLE IN MAGNET IN FACT TWO STEEL PLATES SANDWICHED THE MAGNET

PAGE 16

ONLY 86 HAD INFORMATION ABOUT TESTING - FROM UNDATED HANDWRITTEN NOTES 91 IT WAS A THEORY OF THE GOVT ABOUT TESTING

PAGE 17

TOGGLE SWITCH - NOT ONLY WAS THE 86 TOGGLE SWITCH A DIFFERENT MODEL, MOREL, AND USE, WASHAM STATED THE 86 SWITCH COULD HAVE BEEN REMOVED AND THE DEVICE STILL WOULD HAVE WORKED IE 86 DID NOT DEPEND ON TOGGLE SWITCH WHILE 91 DID

PAGE 20

MODUS OPERANDI. IN 86 THE ONLY COMPONENT ORIGINATING FROM RASH/SINK WAS THE 1910 TOY CAR WHICH TRENKLER PURCHASED IN PERSON WITH DONNA SHERA THE THEM TO CONSPIRACY - SHERA GJ A DIFFERENT MO FROM - LUNCH TRUST - DID NOT PARTICIPATE IN ACQUIRING 1910 AT RASH GOVT 91 THEORY. SINCE NO COMPONENTS OTHER THAN 1910 WERE ID'D AS ORIGINATING FROM RASH, THERE WAS NO PURPOSE TO SEND LUNCH TO RASH ALSO FROM CRAIG - SHERA INTIMIDATED TRENKLER INTO DOING THIS, SHE DID NOT WANT TO HURT ANYONE - NO EVIDENCE THAT SR INTIMIDATED ME OR ANYTHING GOVT THEORY I DID THIS TO KILL SR FOR MONEY VS 86 WHERE IT WOULD RESOLVE A DEBT

PAGE 25 NOT ONLY WERE TOGGLE SWITCHES SERVING RADICALLY DIFFERENT PURPOSES DIFFERENT MAKES, MODELS AND MANUFACTURERS, ONLY THE 86 TOGGLE SWITCH WAS SAID TO BE ABLE TO BE REMOVED AND THE 86 DEVICE WOULD STILL HAVE FUNCTIONED, I.E. THE 86 SWITCH WAS AN ADDED FEATURE FOR SAFETY - A FEATURE NOT TAKEN WITH A MUCH MORE DANGEROUS DYNAMITE BOMB OF 91 IF THIS SAME MEASURE WAS TAKEN WITH A LESSER DEVICE OF 86 IT DOES NOT MAKE SENSE THAT A SIMILAR SAFETY FEATURE WAS NOT PRESENT IN 91

PAGE 26 EXPLOSIVES. WHILE THE 91 EXPLOSIVES HAVE AN UNKNOWN ORIGIN, THE 86 SIMULATOR WAS SAID TO ORIGINATE FROM DONNA SHEA - CRAIG TRUL OR ONE OF HER FRIENDS. SHE, TOOO LEVINE'S MOTHER, WANTED THE PIECES OUT OF HER HOUSE THAT NOONAN HAD - LEVINE'S, ITARD AL, DONNA, DAVE (NOONAN) MUM MENTIONING SIMULATOR LEVINE TRUL, AND EVERY TIME SIMULATOR WAS MENTIONED IT WAS AT DONNA SHEA'S HOUSE I.E., I DID NOT PROVE IT, ONE OF THE CO CONSPIRATORS HAD IT. EXPERIENCE

- PAGE 32-33C. 86 EVENT DID NOT PROVE KNOWLEDGE OF 91 EXPLOSIVES
- 86 DID NOT PROVE KNOWLEDGE + SKILL IN CARPENTRY OF 91
- 86 DID NOT PROVE PREFERENCE TO ROUND MAGNETS
- 86 DID NOT PROVE SIMILAR 91 INTENT TO KILL FOR MONETARY GAIN
- 86 DID NOT PROVE SIMILAR 91 INTENT TO ~~INFLICT~~ DAMAGE OR DESTROY
- 86 DID PROVE ELECTRONICS KNOWLEDGE BUT THIS WAS AVAILABLE FROM ELECTRONICS EDUCATION, EMPLOYMENT, MY COMPANY.

PAGE 36 EXIS - THE JURY COULD NOT EVALUATE THE TRUTH OF THE EVIDENCE SINCE THE EVIDENCE, IN SCHEID'S OWN WORDS, IS KNOWN BY EXPERTS WHEN THEY SEE CERTAIN THINGS SUCH AS FUOTBA WHICH AN EXPERT WOULD KNOW CONTAINS A BATTERY PACK, 4 AA BATTERIES, A RECEIVER, A SLIDE SWITCH A SCREW MOTOR AND AN ANTENNA, WHETHER THEY WERE FOUND OR NOT DOES NOT MATTER SCHEID WOULD NOT MENTION THEM BECAUSE ~~ONLY~~ EXPERTS KNOW THESE THINGS EXIST. HOWEVER A LAYMAN WOULD NOT HAVE ANY BASIS TO GO BY UNLESS THEY HAPPENED TO BE EXPERTS. THE JURY ONLY SEES

ON EXIS  
CHARTS

WHAT ~~WAS~~ THE GOV'T CHOSE TO SHOW AND MAKES NO MENTION THAT  
 THE 91 DEVICE ACTUALLY HAD <sup>4</sup> ~~5~~ MORE COMPONENTS NOT LISTED  
 THAT WERE COMMON TO ANY OTHER FUTABA DEVICE, <sup>FUTABA</sup> SERVO MOTOR,  
<sup>FUTABA</sup> RELAY, <sup>FUTABA</sup> BATTERY PACK, <sup>FUTABA</sup> PLUGS AND NOT COMMON TO THE 86 TACO DEVICE  
 FURTHER, OMITTED FROM 91 WAS THE 9VOLT SNAP CONNECTORS, THIS WOULD NOT  
 MATCH 86 THEREFORE IT WAS NOT INCLUDED, BUT IF THIS STUDY WAS OBJECTIVE  
 WOULD HAVE BEEN INCLUDED. OMITTED FROM THE 86 DEVICE WAS THE RELAY  
 THOUGH MENTIONED IN THE 86 REPORT, WAS NOT ENTERED INTO EXIS BECAUSE  
 IT WAS NOT A MATCH TO 91 THEREFORE NOT INCLUDED. AS FOR THE 1980 NY  
 EXIS ENTRY THERE WERE 12 ITEMS NEVER MENTIONED ON THE EXIS CHARTS  
 THAT ~~WERE~~ JUST HAPPENED TO ALL CORRELATE ONE FOR ONE TO THE 91 DEVICE  
 BUT HAD THESE BEEN ENTERED I DOUBT IF THE EXIS REPORT WOULD BE USED,  
 PROVE 45 THE EXIS EVIDENCE WAS NEITHER RELIABLE OR OBJECTIVE. GIVEN FROM THE  
 EVIDENCE THE GOV'T CHOOSES TO REVEAL IN THE EXIS CHARTS, OF THE 5 GENERIC  
 MATCHES OF 86 TO 91 THERE ARE 9 TO PA, 11 TO FLA, 6 TO IL, 6 TO NY AND  
 4 TO CA, IF INCLUDING THE OMITTED INFORMATION TO NY THERE ARE A TOTAL OF  
 17 MATCHES TO 91. IT IS OBVIOUS THAT THIS EXIS DISPLAY WAS SOLEY TO MATCH  
 86 TO 91 SINCE I WAS ALREADY A SUSPECT BEFORE THE EXIS QUERY WAS  
 DONE AND NO NEED FOR INVESTIGATIVE LEADS TO BG GONZALEZ, WHICH IS THE  
 ACTUAL FUNCTION OF EXIS, FURTHER THIS WAS NOT USED TO MAKE ME A SUSPECT

5

MAIN POINTS IN ERROR OR STRETCHED BY GOVERNMENT

ROUND MAGNETS BEING SIGNIFICANT

AVOIDED WAS FACT THAT MAGNETIC MEANS HAD BEEN MENTIONED BY ME BUT NOT PREFERENCE TO STYLE OR TYPE OF MAGNET

ROUND SPEAKER MAGNET WAS SPOTTED BY CHANCE AND COINCIDENCE IN THE TRASH BY ME - LEACH - TRIAL THEREFORE ONLY A COINCIDENCE 5 YEARS LATER THE 91 DEVICE WOULD BE DISCOVERED WITH GENERICALLY ROUND MAGNETS, ALTHOUGH THEY WERE NOT SPECIFICALLY ID'D AS SUCH. WASHOM STATES THAT ROUND WAS RARE IN MAGNETS BUT SKIPS OVER THE FACT THAT THE 86 USED A SPEAKER MAGNET AND SPEAKERS ARE PREVALENT EVERYWHERE. WHAT WAS RARE WERE THE 12 BUTTON MAGNETS USED PRIMARILY IN INCREMENTERS - DEVICES NOT ASSOCIATED WITH ELECTRONICS BUT RATHER AUTO BODY WORK TO WHICH SHAM SR WAS INVOLVED IN. THE GOV'T TAKES COINCIDENCE AND TURNS IT INTO SIGNATURE.

MO - SENDING ANOTHER TO MAKE PURCHASES TO HIDE PARTICIPATION

1) THE ONLY PART ID'D IN 86 AS ORIGINATING AT RADIO SHACK WAS

THE TYCO TOY CAR. TODD LEACH TESTIFIED IN TRIAL THAT HE DID NOT PARTICIPATE IN PURCHASING THIS PART. CRAIG TEST THAT TRENKLER BOUGHT

THE TYCO PART, DONNA SHEP G-5 TEST THAT AL AND HER MADE THE PURCHASE TOGETHER AT RADIO SHACK. THE MAGNET CAME FROM TRASH, SIMULATOR FROM DONNA SHEP, TOGGLE SWITCH WAS SPECIFICALLY ID'D AS NOT RADIO SHACK TO WHICH WASHOM ACKNOWLEDGES AND THE TYCO CONTAINED A REARM - WHICH WASHOM SAYS IS POSSIBLE. CRAIG SAID I HAD THE REST, JUST NEEDED THE TYCO, AND BATTERIES WERE NOT RADIO SHACK BRANDS. THEREFORE THE ALLEGED PURCHASE AT RADIO SHACK WAS FOR PARTS NOT INCLUDED IN THE 86 DEVICE.

SO THIS IS NOT SIMILAR TO THE 91 DEVICE IN THAT I DID NOT SEND ANYONE TO PURCHASE ANY PARTS IN 86 DEVICE. 91 DEVICE ONLY PART ID'D FROM RADIO SHACK WAS PURCHASED BY SHAM JR

THE BOTTOM LINE - 86 I DID NOT DIRECT SOMEONE ELSE TO OBTAIN PARTS USED IN THE 86 DEVICE FROM ANY STORE TO BE ISOLATED FROM IT RATHER THE ONLY RASH PART WAS PURCHASED BY ME IN PERSON. LEACH ALSO TESTIFIED THAT HE ASKED ME TO GO FOR THIS RING TO THE RASH STORE AND HAD NO IDEA ABOUT THE 86 DEVICE AT THIS POINT FURTHER THAT HE WAS NOT SURE WHAT HE PURCHASED AND FURTHER STILL THAT HE WAS NOT SURE IF HE REMEMBERED DETAILS OR JUST HEARD ABOUT DETAILS BEING REPEATED. HIS TESTIMONY WAS SKETCHY AT BEST

86 SHOWED KNOWLEDGE AND SKILL OF EXPLOSIVES

THE GOV'T TRIES TO SAY THAT THE EXPLOSIVES IN 86 + 91 WAS SIMPLY A MATTER OF CHOICE, THAT I CHOSE A SIMULATOR IN 86 AND DYNAMITE IN 91. BUT THIS IS NOT PROOF OF 91 EXPLOSIVES KNOWLEDGE IN 86, IT IS ONLY A THEORY THAT IF I BUILT 91 WITH DYNAMITE I HAD THE SAME KNOWLEDGE AND SKILL IN 86 BUT SIMPLY DID NOT WISH TO USE DYNAMITE IN 86.

THIS ~~THEORY~~ COULD ONLY HOLD TRUE IF THE 86 DEVICE USED DYNAMITE AND 91 USED A SIMULATOR. THIS REQUIRES THE EXACT OPPOSITE OF WHAT 86 IS SUPPOSED TO PROVE AND CAN ONLY BE ACCOMPLISHED WITH THE WRONGFUL PROPENSIM EVIDENCE. IN EFFECT THIS CASE HAD TO PROVE I HAD THE SAME KNOWLEDGE AND SKILL ~~AS~~ <sup>AS THE</sup> 91 DEVICE IN ORDER TO PROVE I ~~MADE THE~~ <sup>MADE THE 86 DEVICE</sup> ~~86 DEVICE~~, SKILL WHEN I MADE THE 86 DEVICE.

ALSO THERE IS NO INDICATION THAT I PRODUCED THE SIMULATOR - LEACH TEST THAT HIS MOM WANTED TO GET RID OF THE SIMULATOR - CRAIG TEST THAT DONNA SHEA'S FRIEND PRODUCED THE SIMULATOR, ~~FOR~~ FURTHER THAT DONNA SHEA REQUESTED I DO THIS THING - POINTS NOT TO MY HAVING A CHOICE OF EXPLOSIVES BUT RATHER A CHOICE OF HOW TO SET THIS THING OFF. IE NO INDICATION THAT I HAD A SOURCE FOR EXPLOSIVES OR A CHOICE FOR THAT MATTER

(A)

LEXIS

THERE ARE OBVIOUS INDICATORS THAT THE EXIS DATA HAD BEEN MANIPULATED AND SKINNED TO ENGINEER A RESULT POINTING TO ME. IT WAS NOT BASED ON OBJECTIVE OBSERVATIONS AND PRESENTED IN SUCH A WAY TO DISGUISE THE DISPARITIES AND ENHANCE THE GENERIC SIMILARITIES. ADMITTEDLY THE DATA PERTAINING TO THE 86 INCIDENT DID NOT COME BY REGULARLY CONDUCTED ACTIVITY NAMELY OVER 5 YEARS SUBSEQUENT TO THAT INCIDENT. BASED ON BOTH THE PROSECUTION AND DEFENSE ELICITED TESTIMONY, THERE WERE DELETIONS ADDITIONS AND OMISSIONS TO THE EXIS EVIDENCE TO AFFORD THE MOST CONVINCING MATCH BETWEEN 86 + 91 AND A GREATER DISPARITY BETWEEN 91 AND OTHER DISPLAYED INCIDENTS, THAT IF INCLUDED ALL PERTINENT DETAILS WOULD SHOW THE ~~DISPARITY~~ <sup>DISPARITY</sup> ~~DISPARITY~~ <sup>SIMILARITY</sup> BETWEEN ~~86 + 91~~ <sup>86 + 91</sup> AND THE GLARING SIMILARITY OF 91 TO OTHER MORE SIMILAR DEVICES. IN THE QUERY PROCESS COMPARISONS WERE FROM GENERIC COMPONENT TO GENERIC COMPONENT AND NOT <sup>IN</sup> DISCREET DISSIMILAR DETAILS PERTAINING TO SIGNATURE, INSTEAD OF ~~FOCUSING~~ USING GENERICS TO PROVE SIGNATURE.

FURTHER, PRESENTATION OF 40K BOMBING INCIDENTS BOILING DOWN TO JUST ROSINDALE + QUINCY IS EXTREMELY PREJUDICIAL. THIS STUDY IS CLOAKED BY THE USE OF A COMPUTER, A DEVICE WHICH A LAMMAN WOULD NOT UNDERSTAND IS ONLY AS SMART AS THE PERSON PROGRAMMING IT AND GIVES THE IMPRESSION THAT IT'S A FOOLPROOF SYSTEM, IT CAN'T BE WRONG. BUT WITHOUT THE UNDERSTANDING THAT ANY SYSTEM CAN BE MANIPULATED TO ACHIEVE ANY DESIRED RESULT THIS DISPUTA <sup>TREND IS</sup> IS GOSPEL.

(B)

THE GOVERNMENT FURTHER ADMITS THAT BECAUSE OF POSSIBLE MISSING  
DETAILS IN THE EXIS DATA BANK, THIS IS THE REASON THIS COMPUTER STUDY  
IS ONLY FOR INVESTIGATORY LEADS, NOT EVIDENCE DISPLAYED IN A TRIAL  
(P 273 LINE 15-19) (FYI) SINCE ONLY AN EXPERT COULD FILL IN THE  
BLANKS, AND NO POSSIBLE WAY A LAYMAN OR A JURY COULD DETERMINE  
SINCE SOMETHING IS NOT IN PRINT IT MIGHT <sup>WELL</sup> HAVE BEEN IN EXISTENCE  
AND HAD THIS DETAIL BEEN KNOWN COULD CHANGE AN OPINION AND OR FACT

SCHEM'S LAST WORDS ON DIRECT - THAT ONLY ROSKINDRE + QUINCY SHARED  
DUCT TAPE, SOLDERING, AA BATTERIES, TOGGLE SWITCH AND ROUND MAGNETS. BUT  
IN REALITY THE ONLY ITEM THAT ONLY 86 + 91 SHARE IS THE DUCT TAPE  
WHICH WAS USED FOR THE SAME GENERIC PURPOSE BUT A DISCREET DIFFERENCE  
86 TO HOLD EVERYTHING TO THE MAGNET 91 SIMPLY TO CONTAIN THE DYNAMITE  
TO CONTINUE THE EFFORT TO DISGUISE ITS ORIGIN. TWO DIFFERENT USES  
FOR TWO DIFFERENT END RESULTS 86 TO BIND 91 TO DISGUISE.

OF THE REMAINING SIMILARITIES, SOLDERING WAS SHARED BY 4 DEVICES  
AA BATTERIES WAS SHARED BY 4 DEVICES, ROUND MAGNETS BY 3 DEVICES  
TOGGLE SWITCH BY 3 DEVICES. THE FACT THAT SCHELD ADMITS 1) THAT EVEN  
THOUGH A PART WAS NOT FOUND DOES NOT MEAN IT DID NOT EXIST  
AND 2) THAT THIS WAS WHY THIS EXIS DATA IS FOR INVESTIGATIVE PURPOSES  
ONLY - SINCE ONLY AN EXPERT WOULD KNOW THAT THESE DEVICES NEED  
CERTAIN PARTS TO FUNCTION EVEN IF THEY ARE NOT LISTED. FOR THIS  
REASON IT IS UNFAIR TO DISPLAY EVIDENCE THAT ONLY AN EXPERT  
COULD FULLY UNDERSTAND

**AFFIDAVIT OF JOSEPH L. WAGNER CONCERNING OBSERVATIONS OF  
ALFRED W. TRENKLER**

---

I, Joseph L. Wagner, do hereby depose and state under oath as follows:

1. I am an inmate at USP Allenwood, White Deer PA.
2. My home address is 346 East Poplar Street, York, PA.
3. On March 24, 1994 at approximately 2:00 pm and during my incarceration, I met Alfred W. Trenkler, immediately following his processing into this institution.

4. Shortly after meeting Trenkler, Trenkler expressed his concern of informants wishing to "make deals" with the Government against him, since previously a Government witness, who was a federal inmate, had given perjured testimony against Trenkler at Trenkler's trial.

5. My first observation of Trenkler was that he kept to himself and would speak to no one.

6. Trenkler made it a point to keep himself distanced from other inmates and stay in my company as much as physically possible.

7. Since Trenkler and I had the same work detail and schedual at UNICOR, I had been in Trenkler's presence every day from waking hours until headcount at 4:00pm, Five days a week.

8. As for leisure hours, meals, after work and on weekends Trenkler had been in my presence either in the T.V. room, our pod or in the library. Trenkler never left our pod to be in general population with the exception of work at UNICOR, meals or research in the law library, and during these times he would be in my company with few exceptions.

9. Trenkler stressed his innocence in his case and that he was being used as a scapegoat.

10. During this time with Trenkler and in Trenkler's presence, I witnessed certain John Doe(s) approach Trenkler attempting to illicit information from Trenkler concerning Trenkler's case, to which Trenkler would refuse to speak and to which I would intervene and request that these people cease and desist in their inquires.

11. On one occasion, while Trenkler and I were doing research in the law library, I overheard a John Doe ask Trenkler if Trenkler would show Mr. Doe how to make a bomb, to which Trenkler refused to speak to this person and immediately left the library with me.

12. On any occasion that I was out of hearing distance of Trenkler and Trenkler had been approached by any John Doe attempting to gather information, Trenkler would immediately come to me and brief me on the encounter as well as have me identify the particular John Doe. This was a subject Trenkler was constantly and overwhelmingly concerned with.

13. From my experience in the jail system and my observations of these John Doe(s), it was abundantly obvious that these John Doe(s) were attempting to gather information concerning Trenkler and or his case, again, from my experience, a common practice amongst inmates in order to improve their status within the jail system including early release and or monetary compensation.

14. I have not been offered any favors, deals, monetary compensation, forced or coerced in any way to give this affidavit.

SIGNED UNDER THE PAINS AND PENALTIES OF PERJURY THIS

10<sup>th</sup> DAY OF Sept., 1994.

Joseph L. Wagner 03338-067  
JOSEPH L. WAGNER  
Inmate # 03338-067; Unit 1-A  
USP Allenwood  
P.O. Box 3000  
White Deer, PA 17887  
(717) 547-0963

(C)

MAGNETS 86

ROUND SPEAKER MAGNET WITH STEEL PULSES - ONE MAGNET ONLY  
NOT DESCRIBED AS DONUT  
↑  
COMMON TO SPEAKERS FROM STEREO SYSTEMS DIRECTIONAL NOT RANGE  
SPOTTED BY ME IN THE TRASH BEHIND LEACH + STEAKS BACK YARD  
FOUND BY CHANCE NOT BY CHOICE

NOT FROM RADIO SHACK

LISTED AS ROUND SPEAKER AGAIN AS SPEAKER ROUND  
ONLY OTHER MENTION OF 86 WAS 'A CHOICE OF MAGNETIC MEANS NOT SPECIFICALLY ROUND  
MAGNETS 91

12-1" BUTTON MAGNETS - ROUND

COMMON TO AN INCLINOMETER ASSOCIATED WITH AUTO BODY WORK  
2-3" DONUT OR RING MAGNETS SAID TO BE USED IN MOTORS

ANTENNAS OR SPEAKERS - NEVER SPECIFICALLY IDENTIFIED AS SPEAKER  
ORIGIN OF BOTH TYPES UNKNOWN

→ ROUND SPEAKER IN 86 NOT SAME AS ROUND BUTTON IN 91  
SPEAKER ROUND IN 86 NOT SAME AS DONUT SPEAKER IN 91

AA BATTERIES 86

4 RAYOVAC AA BATTERIES USED IN TYCO MANUFACTURED BATT. HOLDER  
ALSO AA BATT'S WERE SOLDERED TO WIRES - NO NEED FOR HOLDER LIKE 91  
2 6 VOLT 5 SIZE DUNNELL BATT'S TO FIRE 12 VOLT SIMULATOR  
- EITHER RAYOVAC OR DUNNELL AVAILABLE AT RADIO SHACK

NOT A CHOICE BY DEVICE MAKER - BY TYCO

AA BATT'S - 91

4 DUNNELL BATTERIES WITH '95 DATE CODE - USED IN MANUFACTURED  
PUTABA 4 AA BATT HOLDER - CHOICE BY PUTABA NOT DEVICE MAKER  
5-9V DUNNELL BATT'S WITH '95 DATE CODE USED FOR FIRING 91 DEVICE

(D)

### TOGGLE SWITCH 86

DUAL POLE DUAL THROW MICROSWITCH - USED AS SAFETY SWITCH  
OPERATED BY HAND - NOT TO FIRE DEVICE

86 DEVICE WOULD HAVE WORKED WITHOUT THE TOGGLE SWITCH  
ACCORDING TO THOMAS WASHBURN IN INTERVIEW.

SPECIFICALLY ID'D AS NOT A RADIO SHACK MANUFACTURE

- INSTEAD DEVICE DEPENDS UPON RELAY - RELAY COULD HAVE BEEN TYCO

### 91 TOGGLE SWITCH

SINGLE POLE SINGLE THROW TOGGLE SWITCH USED AS DETONATING  
SWITCH

OPERATED BY REMOTE CONTROLLED SERVO HORN ATTACHED TO FUTABA  
SERVO MOTOR. TOGGLE SWITCH CAUSED IMMEDIATE DETONATION

DEVICE WOULD NOT WORK WITHOUT THE TOGGLE SWITCH IN PLACE  
DEPENDS UPON TOGGLE SWITCH TO FIRE. ID'D AS RASH PART

### 86 SIMULATOR

MANUFACTURED WITH BUILT IN INITIATOR AND WIRES WITH SAFETY  
CAP. MANUFACTURED WIRES SIMPLY ATTACHED TO SWITCHED POWER  
SOURCE - RELAY

NO PREPARATION TO SIMULATOR NEEDED

NO EXPLOSIVE KNOWLEDGE NEEDED

~~THE~~ ID #'S REMAINED ON SIMULATOR

ONLY MENTIONED IN RELATION TO DONNA SPREA'S HOUSE

OBVIOUSLY NOT FROM RADIO SHACK

DID NOT SHOW CONCERN FOR SOLDERING INITIATOR WIRES

THEREFORE NOT SIMILAR KNOWLEDGE DISPLAYED IN 91

(E)

## 91 EXPLOSIVE

ANOMIA DYNAMITE AND 2 ELECTRIC BLASTING CAPS  
DYNAMITE WRAPPED REMOVED TO CONCEAL I.D.#'S  
DYNAMITE REWRAPPED CONTAINING TWO BLASTING CAPS  
WITH MAGAZINE PAGE, DUCT TAPE, ELECTRICAL TAPE  
BLASTING CAPS WERE PRIMED DISPLAYING MILITARY KNOWLEDGE  
DISPUTED KNOWLEDGE OF HANDLING DYNAMITE  
DISPUTED KNOWLEDGE OF BLASTING CAP PLACEMENT + WIRING  
(NOT SOLDERING TWISTED WIRES B/C OF EXPLOSIVE CONCERN)

## DUCT TAPE 86

USED TO WRAP RECEIVER, REAM AND BATTERIES AND HOLD TO MAGNET  
TAPE FROM 2" ROLL

## DUCT TAPE 91

USED TO WRAP MAGAZINE PAGE AROUND DYNAMITE  
DUCT TAPE COVERED WITH LAYER OF BULK ELECTRICAL TAPE.  
DYNAMITE BUNDLE PUT IN COMPARTMENT OF WOODEN BOX  
TAPE 1 9/16" WIDTH

## SOLDER 86

USED TO SOLDER ALL WIRES, WIRES TO BATTERIES, WIRES TO SIMULATOR  
NO DESCRIPTION OF HOW WIRES CONNECTED - IE TWISTED

## SOLDER 91

USED TO SOLDER 9V SMAPP CONVERTERS + TOGGLE SWITCH  
NOT USED ON DEFORMATOR WIRES

(DENNY KILLEN + 91 FORENSIC MADE NO MENTION OF ANY  
WIRES WITH SOLDER ON THEM UNTIL AFTER 1<sup>ST</sup> AFFIDAVIT OF RETURN  
THEY ATE SORDANUM INB TULSAO + SOLDERED WIRES)

(F)

86 CONTAINER, GLUE

NO CONTAINER, PLASTIC, WOOD, METAL OR OTHERWISE OTHER THAN  
REMAINS OF TYCO HOUSING - PLASTIC  
NO GLUE ~~STAY~~

91 CONTAINER, GLUE

TWO SEPARATE BOX CONTAINERS

ONE COMPARTMENT WITH SERVO HORN RIGGLE SWITCH ASSEMBLY

ONE COMPARTMENT WITH BATTERIES, FUTABA RECEIVER,

SLIDE SWITCH AND DYNAMITE, ALL COMPONENTS GLUED IN PLACE  
TO INSIDE OF BOX WITH SUPER GLUE

FIRING METHOD 86

TYCO RECEIVER ENERGIZES RELAY SENDING POWER TO SIMULATOR  
WIRING FROM 2-6 VOLT BATTERIES

FIRING METHOD 91

FUTABA RECEIVER ENERGIZES FUTABA SERVO MOTOR + HORN  
WHICH STRIKES RASH RIGGLE SWITCH SENDING POWER TO 2  
BUSTING-CAPS CAUSING DYNAMITE PACKAGE TO EXPLODE, POWER  
FROM 5-9 VOLT BATTERIES

86 - REMOTE CONTROL

ONLY ITEM, TYCO, FROM RADIO SHACK PURCHASED 137 ME AND ONLY  
ITEM IN 86 DEVICE ORIGINATING FROM RADIO SHACK  
STRIPPED FROM TOY CAR WIRING TO RELAY  
SHOWS KNOWLEDGE OF WIRING + RELAYS  
NO MENTION OF SLIDE SWITCH

(5)

91 REMOTE CONTROL

FUTABA KIT - MANUFACTURED WITH BATT PACK, SLIDE SWITCH  
REGULAR AND SERVO MOTOR

NO KNOWLEDGE OF ELECTRONICS OR REMOTE CONTROL MECHANISM  
COMES WITH INSTRUCTION BOOK

PLUG AND RUN - NO WIRING NEEDED

MO THEORY 86

ALLEGEDLY LEACH SENT \$4 ME TO RADIO SHACK TO PURCHASE  
PARTS FOR DEVICE TO HIDE PAPER TRAIL

FACT - ONLY PART ID'D IN 86 DEVICE FROM RADIO SHACK WAS  
TYCO REMOTE CONTROL - 86 REPORT, DONNA STEBA GRAND JURY  
<sup>PURCHASED BY ME</sup> <sup>(CRAIG TRUL)</sup>

LEACH CANNOT RECALL WHAT WAS PURCHASED THAT DAY

LEACH TEST HE ASKED ME TO GO FOR A RIFLE

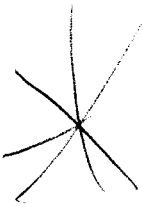

LEACH DOES NOT SAY HE PURCHASED TOY CAR - IN FACT HE STATED IN TRAVE  
THAT HE DID NOT PARTICIPATE IN PURCHASE OF TOY CAR  
IN GRAND JURY LEACH SAYS THE TOY CAR WAS PURCHASED WITHOUT

HIM BEING PRESENT - THAT WAS ANOTHER TIME WITHOUT LEACH,

EVEN AT THIS ALLEGED PURCHASE - I SAID TO LEACH IN STORE - HOW DOES THIS  
SHOW I'M HIDING SOMETHING IF I'M IN THE STORE  
MO THEORY 91 <sup>IF I WAS PRESENT TWICE FOR 86 DEVICE</sup>

ALLEGEDLY I SENT JR TO RASH TO PURCHASE COMPONENTS

ONLY ITEM ID'D WAS RASH TOGGLE SWITCH. THE SHIRT LEACH TEST WAS  
SOPROSDI IN TRUCK THAT I SENT JR TO RASH

EXPLOSIVE ID # ON SIMULATOR VS REMOVED FROM 91

WASBOM SAYS LEAVING #S ON <sup>86</sup> SIMULATOR WAS A MISTAKE I

LEARNED IN 86 - BUT NO EVIDENCE BACKS THIS IN FACT THE

SIMULATOR WAS NOT EXAMINED UNTIL 10 WEEKS SUBSEQUENT TO

THE 86 COURT - AN ASSUMED FACT NOT IN EVIDENCE.

THE 91 INCIDENT NOT ONLY DISPLAYED THIS IMPLIED KNOWLEDGE  
BUT FURTHER, HOW TO RE PACKAGE THE DYNAMITE AND INSERT

(H)

BUSTING CAPS - ALSO THE USE OF PAPER TO WRAP THE DYNAMITE  
THREE STEPS NOT TAKEN IN 86 THEREFORE DISPENSING  
KNOWLEDGE NOT EXISTING IN 86.

SLIDE SWITCH 86

NONE RECOGNIZED

 EVEN IF RECOGNIZED WOULD NOT SHOW SIGNATURE JUST THAT DIFFERENT  
MANUFACTURERS CHOOSE TO USE SLIDE SWITCHES - NOT A DESIGN OF THE  
DEVICE MATTER, WASHROM EVEN CONCERNS

SLIDE SWITCH 91

RECOGNIZED - PART OF FORABA - CHOICE NOT MADE BY MANAGER OF GOOD

 POINT - IF IN 91 THE MATTER TOOK SUCH CARE IN DISGUISE DYNAMITE WITTY WOULD  
THE BE SO CARELESS AND SEND US TO A STORE TO EXPOSE A PAPER TRACK COMPARED TO  
86 WHERE NO EFFORT WAS MADE TO DISGUISE THE SIMULATOR AND NO EFFORT TO  
DISGUISE THE PURCHASE OF THE ONLY ITEM I'D AS RASIA - THE T110 WHICH I'D  
PURCHASED BY ME.

(1)

## REVERSE AND CROSS APPLICATION OF KNOWLEDGE

86 DISPLAYED ONLY ELECTRONIC KNOWLEDGE - HOW TO CONNECT WIRES, TO SOLDER AND THE ABILITY TO RECONFIGURE A CIRCUIT BOARD WITH A REAM AND TO SOLDER WIRES TO A PLASTIC SIMULATOR THAT WOULD CAUSE A FLASH AND A BANG - A DEVICE IN POSSESSION OF DONNA SHERA  
↓ AT DONNA SHERA'S DIRECTION  
THIS WAS SAID TO INDICATE MORE THAN ENOUGH ELECTRONIC KNOWLEDGE TO WIRE UP THE 91 DEVICE.

91 DISPLAYED A SIMPLE UNDERSTANDING OF SIMPLE ELECTRICAL CIRCUITS. BUT THE EXPLOSIVES KNOWLEDGE IN 91, WERE TO LOCATE NOT ONLY DYNAMITE BUT BUSTING CAPS, HOW TO DOZE PRIME WITH 2 ELECTRIC BUSTING CAPS, THE NEED TO REMOVE THE DYNAMITE WRAPPER TO COVER ITS ORIGIN, THE KNOWLEDGE ON HOW TO REWRAP DYNAMITE WITH BUSTING CAPS INSIDE, THE IMPLIED KNOWLEDGE OF NOT HEATING THE BUSTING CAP WIRES TO CAUSE DETONATION BY WAY OF SOLDERING. NONE OF THIS EXPLOSIVES KNOWLEDGE WAS NEEDED OR DISPLAYED IN THE 86 DEVICE. BUT THE GOV'T IMPLIES THAT SINCE I DID THE 91 EVENT THIS SHOWS I HAD EXPLOSIVES KNOWLEDGE IN 86 SINCE THE ELECTRONIC KNOWLEDGE IN 86 WAS MORE THAN ADEQUATE TO PUT TOGETHER THE 91 DEVICE. ALSO THE IMPLICATION THAT SINCE 86 I HAD LEARNED ABOUT EXPLOSIVES WHICH IMPLIES THAT I WAS HANDLING EXPLOSIVES SINCE 86 THOUGH THERE IS NO EVIDENCE OF A CONTINUING INTEREST IN EXPLOSIVES OTHER THAN ISOLATED 86 INCIDENT

3

OTHER OBSERVATIONS

WHILE QUINCY USED A PREMANUFACTURED SIMULATOR WHICH NEEDED NO PREPARATION OTHER THAN CONNECTION, ROSLINDALE NEEDED TWO SOURCES, DYNAMITE AND BLASTING CAPS IE AN EXPLOSIVE AND A DETONATOR, UNLIKE 86 BUT LIKE PHIL, MORG ROCKETTS TO IGNITE THE BLACK POWDER, FLA - MINING OPERATIONS ELECTRIC BLASTING CAPS TO SET OFF THE RDX EXPLOSIVE, NY - DUPONT ELECTRIC BLASTING CAPS AND DETONATOR CORD TO SET OFF THE CY.

ROSLINDALE USED FUTABA KIT LIKE PA, IL, NY, CA

ROSLINDALE USED GLUE LIKE PA, FLA, IL, (NY - KILLEN)

ROSLINDALE USED WOOD LIKE FLA, IL, (NY - KILLEN)

ROSLINDALE USED SWITCH LIKE FLA (ALTHOUGH THE FUNDAS ALSO USE SWITCH)  
(NY - KILLEN)

ROSLINDALE USED ANTENNA LIKE FLA (ALTHOUGH ISL RECEIVERS USE ANTENNAS)

ROSLINDALE USED DONUT MAG LIKE FLA (NY KILLEN)

ROSLINDALE USED A BOX LIKE CA, NY

ROSLINDALE USED HIGH EXP LIKE PA, FLA, IL, NY, CA

ROSLINDALE WTS PURLO UNICL VEHICLE - AUTO LIKE PA, FLA, IL, NY, CA

ROSLINDALE WTS A HOMICIDE MOTIVE LIKE FLA, IL

DUCT TAPE, SOLDERING, AA, TOGGLE SW, ROUND MAGNETS

THOUGH THERE ARE FIVE GENERIC MATCHES BETWEEN 86 + 91

THERE ARE 9 MATCHES TO PA, 11 TO FLA, 6 TO IL, 6 TO NY AND 4 TO CA  
<sup>EXACT</sup> (17 TO NY - KILLEN)

DUCT TAPE - GENERIC USE BUT CANNOT SHOW SIGNATURE - NOT SURE EXTENT OF USE IN 86

SOLDERING - GENERIC USE BUT CANNOT SHOW SIGNATURE - NO EVIDENCE OF TECHNIQUE

AA BATTERIES - GENERIC USE - GOVERNED BY MANUFACTURER NOT BOMB MAKER

TOGGLE SWITCH - GENERIC USE - WASKOM STATES 86 TOGGLE NOT NEEDED - COULD BE REMOVED  
DEVICE WOULD WORK WITHOUT

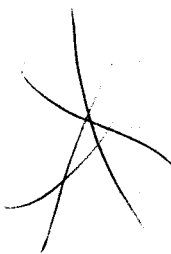

ROUND MAGNETS - NO INDICATION OF PREFERENCE - FOUND BY CHANCE - COINCIDENCE

SPEAKER WAS PRESENT WITH ROUND MAGNET - ROUND MAGNETS, NY 91 DEVICE WERE NOT

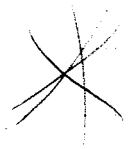

86  
SPEAKER MAGNETS, MAGNET IN 86 DEVICE WAS NOT A DONUT.

(V)

86 UTILIZED A FLASH SIMULATOR MANUFACTURED WITH AN INTERNAL INITIATOR WITH WIRING ATTACHED REQUIRING A SIMPLE CONNECTION TO THE FUSING CIRCUIT IE NO PREPARATION NEEDED VERSUS THE 91 DEVICE WHICH UTILIZED DYNAMITE AND BUSTING CAPS REQUIRING KNOWLEDGE AND SKILL IN HANDLING EXPLOSIVES NEVER DISPLAYED IN 86, IE 91 SHOWED SKILL AND KNOWLEDGE WITH # IDENTIFICATION, THE N200 AND SKILL AND KNOWLEDGE OF RE WRAPPING DYNAMITE, DULC PRIMERS IN A MILITARY STYLE AND PRECAUTIONS IN ATTACHING BUSTING CAPS BY AVOIDING SOLDERING OF CONNECTIONS. THIS IN CONTRAST TO 86 WHICH THE SIMULATOR STILL HAD ID #'S WHICH COULD HAVE BEEN TACKED, AND SINCE IT WAS NOT EXAMINED UNTIL SOME 10 WEEKS SUBSEQUENT TO SEP 86 NO GROUND TO SAY THE REMAINING ID #'S ON THE SIMULATOR WAS A MISTAKE LEARNED BY TREMKLER.

SPECIFICALLY ID'D AS NOT RADIO SHACK MOST APPARENT - THE 86 TOGGLE SWITCH ISY WAS KOPS OWN WORKS WAS NOT NEEDED TO FIRE THE 86 DEVICE IE WOULD HAVE # OPERATED IF THE TOGGLE SWITCH HAD BEEN REMOVED VS THE 91 SWITCH WHICH WAS THE FIRING DEVICE AND COULD NOT HAVE WORKED WITHOUT THIS SWITCH WHICH WAS SPECIFICALLY ID'D AS RASH.

BOTH THE TYCO -86 AND FUTABA-91 ARE MANUFACTURED WITH 4 AA BATTERY HOLDERS, SLIDE SWITCHES, RECEIVERS, ANTENNA, SETUP FOR FUTABA 126AM FOR TYCO, BUT ONLY THE TYCO WAS RECONFIGURED VS THE FUTABA WHICH WAS NOT MODIFIED. IF ANYTHING THIS IS A GENERIC DESCRIPTION OF REMOTE CONTROL CONFIGURATIONS GOVERNED BY RESPECTIVE MANUFACTURERS, SHOWING A CLEAR DIFFERENCE IN USE AND NEEDED KNOWLEDGE.

(M)

WHEN STUDIED 86 DEVICE WAS DESIGNED TO BE PLACED AND IMMEDIATELY SET OFF WHEN NO ONE WAS AROUND - IE TO MAKE SURE IT WAS SAFE TO SET OFF US 91 WHICH WAS TO BE INSTALLED AND SET OFF AT SOME OPPORTUNE TIME WHEN SOMEONE WAS AROUND.

86 HAD A 60 YARD RANGE - 180 FEET VS 91 WHICH HAD A RANGE OF 2640 - 5280 FEET

86 HAD A TOGGLE SWITCH SAFETY FEATURE 91 DID NOT

86 DID NOT USE A DONUT SHAPED MAGNET INSTEAD A SOLID MAGNET WITH TWO STEEL PIPES VS 91 WHICH USED TWO DONUT MAGNETS USED IN MOTORS, ANTENNAS OR SPEAKERS - A RING WITH A HOLE IN THE MIDDLE AND 12 ROUND BUTTON MAGNETS ASSOCIATED WITH NOT SPEAKER MAGNETS BUT WITH AUTO BODY WORK - SHOWN DID AUTO BODY WORK NOT IN TRENCH. ALSO THE 86 MAGNET WAS FOUND COINCIDENTALLY IN THE TRASH BEHIND LEGACY'S HOUSE AND WAS COINCIDENTALLY ROUND - NO EVIDENCE OF PREFERENCE TO ROUND MAGNETS SIMPLY MENTION OF MAGNETIC MEANS OF ATTACHMENT

1\* 86 HAD ONE ROUND SPEAKER MAGNET IT APPEARS TWICE

THE GOVERNMENT PILLORY THE 86 DEVICE, STATES THAT IT WOULD MEAN TO CAUSE A COMBUSTION, NOT TO INJURE OR DAMAGE, THEN COMPIRES TO THE 91 DEVICE WHICH WAS DESIGNED TO KILL OR INJURE OR DAMAGE OR DESPICION OR INTIMIDATE IN AN ASSUMED ATTEMPT TO GAIN FINANCIAL ADVANCEMENT FROM SIMS SR, THE ELEMENTS + INTENTS DISSEMINATED TO 1986 PRE-TRIAL COURT, TO SUBSTANTIATE THIS <sup>COMPARISON</sup> ~~STATE~~, USES THE CEAS DATABASE TO SAY TO 12 LAWYERS THAT OUT OF 40K EXPLOSIVES INCIDENTS 1979-1992 ONLY RESUMABLE AND 86 QUENCH WERE MADE. THIS ANALYSIS WAS GENERIC AT BEST AND FURTHER HOBBLER BY THE FACT THAT THE 86 DEVICE WAS RE-CREATED BASED ~~ON~~ ON OPINIONS BASED ON ASSUMPTIONS BASED ON QUESTIONNAIRE REPORTS AND TESTIMONY FROM ONE WITNESS REGARDING ONLY SKETCH DETAILS NOT SURE IF IT WAS THIS MEMORY OR JUST HEARING THINGS REPEATED IN HIS PRESENCE. TO COMPARE THE CIRCUMSTANCES OF THE 86 INCIDENT TO THE 91 INCIDENT IS CUDICIOUS. THE 86 EVENT NEVER PERFORMED THE INTENT OF THE 91 DEVICE, BUT TO DISPROVE THE 86 EVENT NEXT TO THE 91 EVENT ASSIGNS THE 91 INTENT TO 86 IN THE EYES OF THE JURY AND LESSON IT IS NOT UNFAIR TO TREAT A MUCH LESSON EVENT WITH ~~LESSER~~ COMPLETELY DIFFERENT INTENT TO CAUSE A COMBUSTION, AND COMPARE TO THE INTENT TO KILL THIS IS THE SAME MESSAGE PEOPLE WHO CAUSED COMBUSTIONS <sup>IN THE PAST</sup> WILL COMMIT MURDER IN THE FUTURE

- THIS IS NOT DNA MATCHING HERE ~~WHAT~~ UNLIKE DNA MATCHING WHICH ~~IS~~ A MATCH IS BASED ON EXACT MATCHES IN DIFFERENT PLACES THE MATCHES BETWEEN 86-91 ARE ONLY GENERAL AND BASED <sup>86</sup> ON SKETCH, QUESTIONNAIRE INCOMPLETE EVIDENCE MADE TO MATCH BY BIASED OPINIONED ASSUMPTION <sup>OBVIOUSLY</sup> BASED ON 91 EVIDENCE WHILE THE MATCH HAD TO EXIST TO PROVE THE GOVERNMENT'S CASE
