Dear Sir, Ma'am,

I would like to know if you
would be interested in filing
some paper work that would
help your son & myself in
the event we strike gold.

Your son IS INNOCENT!

I can prove IT!!! I would
be willing to

pay to have me be given a
lie detector test? I will take
IT IF IT can be arranged!

also some freedom of information
act papers need to be filed.

I will go into the details if
you're interested! Tommy Shay
