

A-7 PHOTO OF THE UTILITY ROOM OFF OF ARCOMM'S STORAGE AREA. THE FRAMING WORK AROUND THE DOOR WAS BUILT BEFORE ARCOMM OCCUPIED THE OFFICE.

A-8 PHOTO OF THE BENCH I BUILT IN NOVEMBER OF '91. THIS WAS MADE OUT OF THE REMAINS OF THE WOOD USED TO MAKE THE BOXES FOR CSM. THE BOX WITH THE DOOR OPEN (RIGHT SIDE OF PHOTO) IS THE ALARM SYSTEM THAT WAS INSTALLED BY ME AND RICH BROWN ON THE FIRST OR SECOND OF NOVEMBER. THE PAINT CAN WAS THE REMAINS OF THE PAINT THAT CHRIS PUNIS USED TO PAINT THE OUTSIDE FRONT OF THE OFFICE.
